

# Consumer game

Key Stage 3  
Consumer rights &  
Responsibilities

## Instructions

Time- 30 Minutes

Students can work in pairs/groups or as a class

Give students pictures of goods

Stereo

Sweets

Crisps

Food

Activity

(paying for activities, ie going to the zoo, going out for the day).

Ask students if they use or buy these things

Discuss with students the fact that we pay for or use these goods, or services and therefore we are all consumers.

Get students to list the last three things they bought, or were given?

Ask them if they had any problems or complaints and what they did about it?

*We will go into more depth on problems in the next activity 'if things go wrong.'*
