

Classroom Rules activity

Instructions

Key Stage 4
Rules

Time- 45 Minutes

Discuss with the class the different rules that exist in their lives. Get students to work in groups to make up some rules for the classroom. These rules can be anything they like.

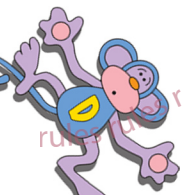

Once all groups have completed the task get the students to read out their rules and discuss as a class.

- What rules they think are fair and why
- What rules they think are unfair and why
- Why don't certain rules work

e.g. everyone must wear pink on Thursdays?

Discuss the fact people may not have pink clothes or they may feel silly to wear pink. This would not be fair on some student's parents who would have to buy them pink clothes.

- Are students happy to follow rules?
- Why are rules important?
- What happens if people do not follow rules?
