

# Where Does Money Come From?

## Instructions

Key Stage 4  
What is Money

Time- 45 Minutes

Students can work as a class or in groups or pairs.  
Get students to name all the places they think they could get money from.

- **Parents**
- **Jobs**
- **Chores**
- **Pocket money**
- **Birthday**
- **Christmas**

Ask them where they think their parents get money from.

What do their parents do for jobs?

Explain that their parents do their jobs to earn the money to pay for things.

What do they think their parents spend money on?

- **Bills**
- **The house**
- **Food**
- **Clothes**
- **Car**
- **Etc**

Ask students if there is anything they would really like to buy at the moment, like a CD or a bike?

Ask them to plan how they will get the money for this?

Save their pocket money

Wait for their birthday

Ask their parents

Do Jobs for people to earn the money

Ask if any of them save the money they are given, i.e. pocket money?

These students may be able to buy what they want already because they have saved their money up. This should highlight the importance of saving and explain where money comes from.
